What is a Financial Services Guide (FSG)?

The purpose of this FSG is to provide you with key information about us and the services we can provide to you. It is designed to assist you in your decision on whether to use any of our services described here, including purchasing general insurance through us. This FSG contains important information about:

- how we are paid for the services;
- any associations or relationships that could influence the services we provide to you; and
- the dispute resolution procedures available to you and how you can access them.

You may also receive a Product Disclosure Statement and a Personal Advice Letter (PAL), Statement of Advice (SoA) or General Advice Letter (GAL). This is explained further in Section A of this FSG.

What other documents will we give you?

If we give you personal advice about a retail general insurance product it will be confirmed in writing (PAL), and will show details about fees and commissions we receive. If we only give you general advice, this will also be confirmed in writing (GAL).

For Personal Accident & Illness Insurance, the advice document will be called a Statement of Advice (SoA), and will set out the basis upon which the advice is given and details about fees and commissions paid to us.

If we recommend or arrange for you to purchase a general insurance product, you will be provided with either a product disclosure statement (PDS) or a policy document, depending on the product. The PDS or policy document describes the benefits and conditions for cover under the product. You should read the documents to ensure you know what is covered and what is excluded and ensure it meets your needs and you are aware of your obligations.

SECTION A: RELATIONSHIPS AND GENERAL INFORMATION ABOUT OUR SERVICES

We conduct a general insurance advisory business as authorised representatives, providing general insurance advisory and dealing services to our customers. These services are provided under the authority and on behalf of the AFS Licensees named on page 1.

Our relationship with AMPGID

AMP GI Distribution Pty Limited (“**AMPGID**”) has an Australian Financial Services licence to provide advice and dealing services in relation to general insurance products.

AMPGID has an arrangement with GIO General Limited (“**GIO**”) (ABN 22 002 861 583)(AFSL 229873) where:

- AMPGID distributes general insurance products issued by GIO (the insurer) and branded AMP.. The products are distributed under AMPGID’s licence by AMPGID’s representatives. AMPGID receives payments from GIO under this arrangement as set out in this document, as well as an annual marketing payment to promote GIO products.
- AMPGID is given a binding authority to arrange for its representatives to issue general insurance policies on behalf of GIO as the product issuer. This authority from GIO is referred to as a “binder” which means we are authorised to approve and accept an application for insurance issued by GIO. In providing any services under the binder, we and AMPGID are acting on behalf of GIO, the insurer, and not on your behalf.
- AMPGID has no binding authority (underwriting authority) to arrange for its representatives to issue general insurance policies on behalf of or NTI Limited or CGU Insurance Limited.

AMPGID has also entered into arrangements with other general insurance companies and underwriting agencies to make available travel insurance and certain wholesale general insurance products which GIO does not issue. We will only make recommendations on or deal in products which are on the Approved Product List, the majority of which are issued by GIO when acting on behalf of AMPGID. Commercial motor products are issued by NTI and farm Insurance products are issued by CGU.

AMP branded commercial motor vehicle products issued by NTI Limited(NTI):

AMP has entered into an arrangement with NTI to provide AMP branded commercial motor vehicle products. These products are distributed under AMPGID’s licence by AMPGID’s representatives. AMPGID receives payments from NTI under this arrangement as set out in this document, which includes a marketing fee of 2.5% for business placed by us on an ongoing basis. These products are issued by NTI. NTI Limited (ABN 84 000 746 109) (AFSL 237246) is the manager for National Transport Insurance, an equal partner joint venture of CGU Insurance Limited (ABN 27 004 478 371) and Vero Insurance Limited (ABN 48 005 297 807).

AMP branded farm products issued by CGU Insurance Limited(CGU):

AMP has entered into an arrangement with CGU to provide AMP branded farm products. These products are distributed under AMPGID’s licence by AMPGID’s representatives. AMPGID receives payments from CGU under this arrangement as set out in this document, which includes a distribution allowance of 2% for business placed by us on an ongoing basis. These products are issued by CGU Insurance Limited (ABN 27 004 478 371) (AFSL 238291).

Our Relationship with AFMIB

AFM Insurance Brokers Pty Ltd (AFMIB) has an Australian Financial Services Licence and provides advice and dealing services in relation to general insurance products.

AFMIB has agreements with most APRA approved insurers and underwriting agencies to place cover where it is felt alternative products available in the market place better meet your needs.

AFM Advantage Pty Ltd shares common ownership with AFM Insurance Brokers Pty Ltd. Although we (“**AMICUS**”) act on your behalf, when we arrange a Hollard product, AFM Advantage Pty Ltd has authority to issue the policy on behalf of Hollards which means they act on behalf of the insurer. AFM Insurance Brokers Pty Ltd is remunerated in accordance with the performance of their portfolio of clients. In return for performing policy and claims administration, it receives a share of the profits or losses, which is calculated after deducting all costs including claims, reinsurance, admin expenses, insurers’ overheads etc.

Can we help you with Premium Funding?

In some instances you may wish to pay for your commercial insurances by monthly installments by using premium funding. We can provide you with this service through a number of providers.

These providers are not related to our authorising AFS Licensees.

We may receive commissions and/or fees from these providers directly and not via our AFS Licensees. Our income is calculated as a percentage of the amount being premium-funded and/or a flat fee. We will tell you the basis and amount of any such payment if you ask us.

Personal Insurances:

If the insurance is provided or intended to be provided wholly or predominantly for personal, domestic or household purposes, in order to assist you, we are required to hold a current Australian Credit Licence under the National Consumer Credit Protection (Transitional and Consequential Provisions) Act 2009 or be an Authorised Representative of an Australian Credit Licensee.

We do not hold a current Australian Credit Licence or registration nor are we an Authorised Representative, so we do not provide premium funding assistance for these insurance products.

Our registration and/or licence or Authorised Representative status for premium funding is not related to our authorising AFS Licensees.
